Work Experience

April 2025 - Present

SynergySuite, LLC (USA) - Podgorica Office, Montenegro

UX/UI Designer

Lead end-to-end design across the inventory, purchasing and forecasting modules of a restaurant & hospitality management platform - **200+ shipped initiatives**, working closely with product and engineering.

- Designed AI-powered ordering & forecasting tools: the AI Ordering Dashboard, accuracy charts, vendor auto-select, and simplified PMIX / LTO forecast flows.
- Owned the Prep & Production Prediction experience end to end - day-part filtering, interval views, empty states, exports, and full-team usability testing.
- Led the multi-phase Recipe Book & Variant Recipe Management redesign, from spike and prototype through staged delivery.
- Designed analytics dashboards & reporting: Inventory Performance, Product Margin Analysis, Movement Report and Depletion Dashboard.
- Built shared design-system components and drove their migration to Claude Design - filters, chips, dialogs, tables and validation states.
- Redesigned EPOS integration tooling and ran design QA plus localized (es-GT, pt-BR) design reviews.

February 2024 - March 2025

Datalab, LLC (Slovenia) - Podgorica Office, Montenegro

UX/UI Designer

- Designed e-commerce websites and mobile/web apps for clients including Cerovo, Meditas Pharmacy, Rocky & Pistolatto, Norma and Čilimara PG.
- Designed B2B sales applications, a Warehouse Management System (WMS), a HelpDesk app, and an admin panel for managing e-commerce sites.
- Mapped user journeys, built wireframes and interactive prototypes, and produced high-fidelity mockups.
- Defined visual style (color, typography, buttons, icons, layout) and design systems consistent with each client's brand.
- Handed off designs to developers with clear specifications.

November 2021 - Present

Freelance

UX/UI Designer

Design clean, user-focused digital experiences alongside my full-time role - from wireframing and prototyping to final interface design - blending creativity with research-driven insights across multiple platforms.

January 2020 - November 2020

Montenegro Airlines - PR & Branding Sector, Podgorica

Translator

- Translated content for the company's official website and social media accounts.
- Translated and proofread texts for Luxury In-Flight Magazine.
